FAXTERRA.COM

Fax without a fax machine

FaxTerra sends and receives faxes from a browser or a phone. Subscribe to receive faxes at your own number.

For clinics, law offices, accountants, insurers, social services, and anyone filing with an agency that only takes fax.

What you get

One shared account

Sending, receiving and the record of both in one account your office owns.

PDF downloads

View received faxes online and download them as PDFs.

Failure notices and retries

A failure notice says why a fax did not go through. Busy or unanswered numbers are retried automatically at no charge.

Retention

Received faxes are kept 90 days on Free and Starter, 1 year on Business and Pro, then deleted.

Team logins

Give everyone in your office their own login on any plan at no per-user charge.

iPhone and Android apps

The same account as the website. Fax a paper form by photographing it.

Known destinations, government fax lines included, are identified as you type the number.

What it costs

PLAN	MONTHLY	YEARLY	PAGES A MONTH	FAX NUMBER
Free	Free	Free	10	Not included
